

City of Cupertino 2016 Bicycle Transportation Plan

Project Update

Public Works – Transportation Division
David Stillman, Transportation Manager

CUPERTINO

Active Project List

- *Regnart Creek Trail*
- *Junipero Serra Trail*
- *Linda Vista Trail*
- *McClellan Road Class IV Bikeway*
- *Stevens Creek Blvd Class IV Bikeway*
- *Bubb Road Separated Bikeway*
- *Mary Ave Separated Bikeway*
- *Bicycle Boulevards*
- *Bollinger Road Corridor Safety Study*
- *School Walk Audits*
- *Bicycle Wayfinding Signage*

Regnart Creek Trail

Regnart Creek Trail Project

Regnart Creek Trail - Status

- **Measure B funding \$1.9 million**
- **Construction in progress**
- **Discussions with fencing contractors in progress**
- **Anticipated completion December 2021**

Junipero Serra Trail

Junipero Serra Trail - Status

- *Measure B funding for central (\$4.1 million, design and construction) and east (\$1.9 million, construction only) portions.*
- *Apple donation \$1.8 million entire trail*
- *Design underway - Surveying in progress*
 - *East and central segments proceeding together to 30% design, environmental clearance*
 - *East segment – continue design, bid for construction Spring 2022, project completion following year*
 - *Central segment – design commencing upon east segment completion, bid for construction 2024*
 - *Western segment – design commencing upon completion of central and east segments*

Linda Vista Trail

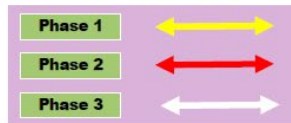

Linda Vista Trail

- *Trail under construction*
- *Post holes for split rail fence drilled*
- *Final locations of private fencing are being determined*
- *Grading and drainage work complete*
- *Estimated completion May 1*

Linda Vista Trail

McClellan Road Separated Bikeway

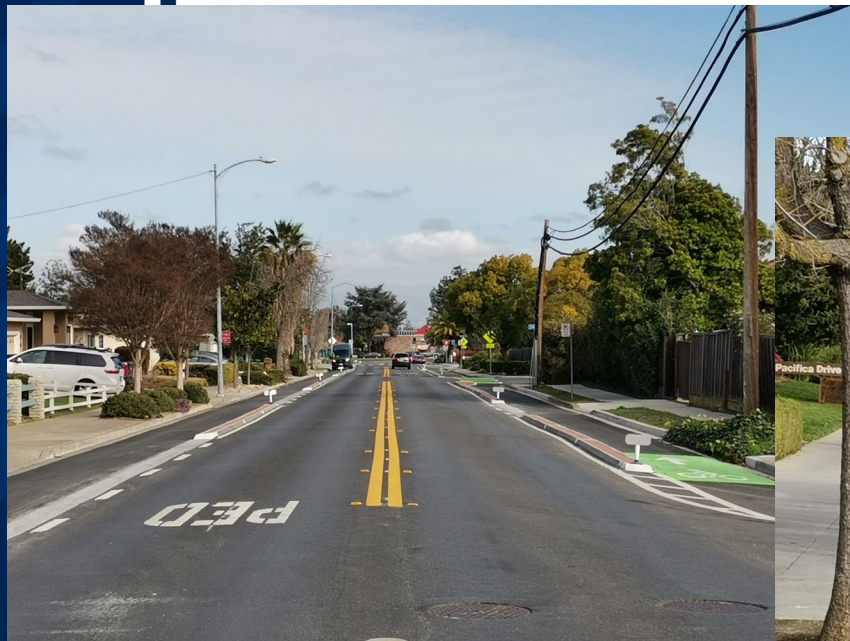

McClellan Road Separated Bikeway - Status

- *Phase 1 and Phase 2 are complete.*
- *Apple donation \$1,000,000 for Phase 2*
- *Apple donation \$160,000 for Phase 3*
- *Award of design contract for Phase 3 being considered by City Council March 16.*
- *ROW dedication received for SE corner*
- *\$1,000,000 VERBS grant awarded for Phase 3 construction. (costs currently unknown).*
- *Construction anticipated summer 2022*

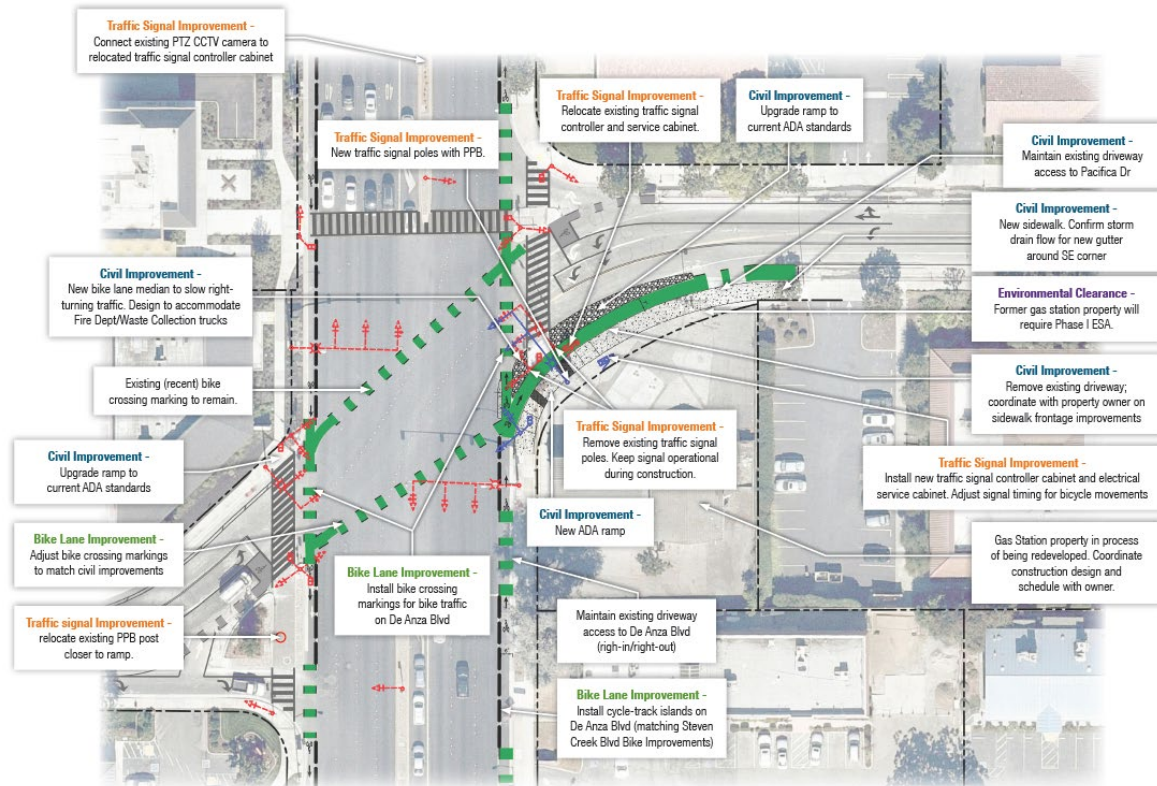

McClellan Road Separated Bikeway - Phase 1

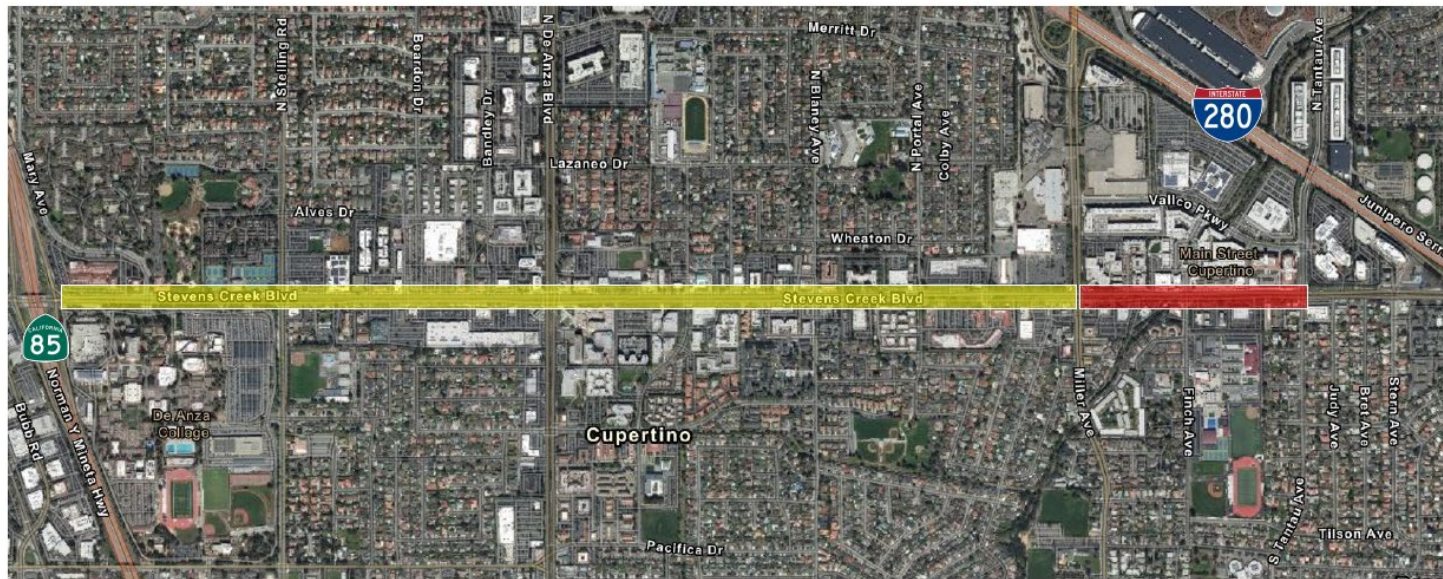

McClellan Road Separated Bikeway - Phase 2

McClellan Road Separated Bikeway - Phase 3

Stevens Creek Blvd Class IV Bikeway

Phase 1

Phase 2

Stevens Creek Class IV Bikeway - Status

- *Phase 1:*
 - *Apple donation \$1.8 million*
 - *Project substantially complete*
- *Phase 2:*
 - *Design fully funded*
 - *Design efforts have begun, will continue through summer*
 - *No funding or timeline identified for construction phase. Staff researching grant opportunities. May construct in phases*

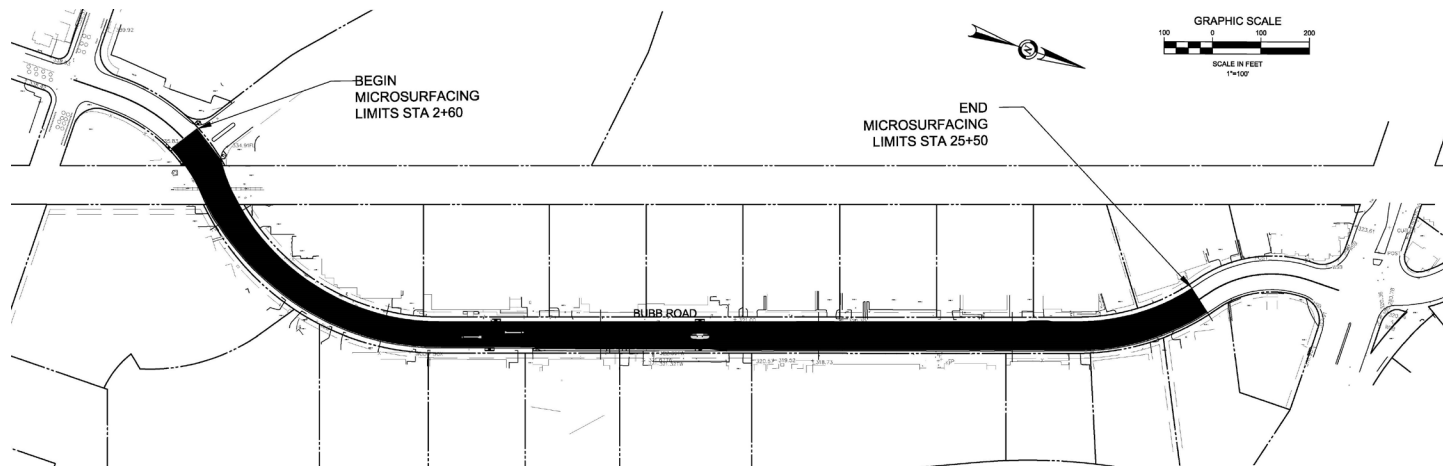

Stevens Creek Class IV Bikeway – Phase 1

Stevens Creek Class IV Bikeway – Phase 1

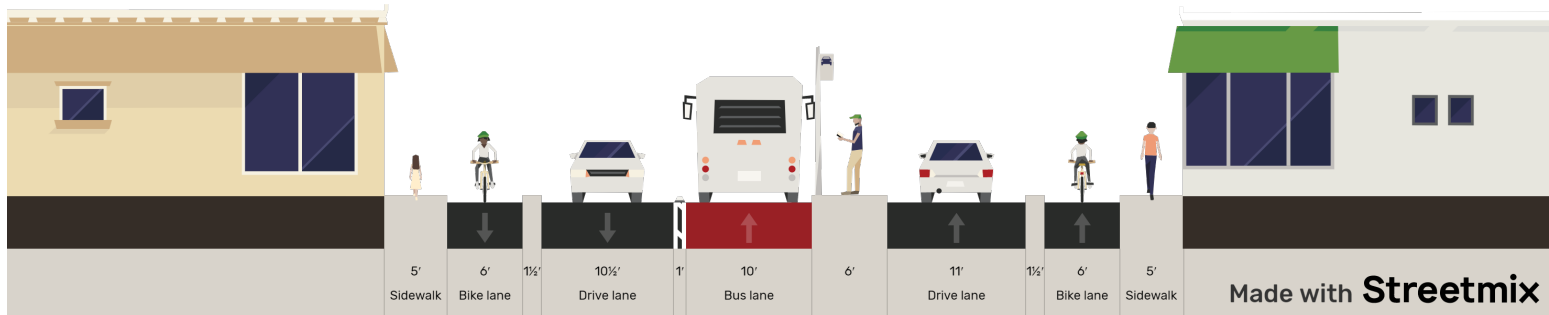

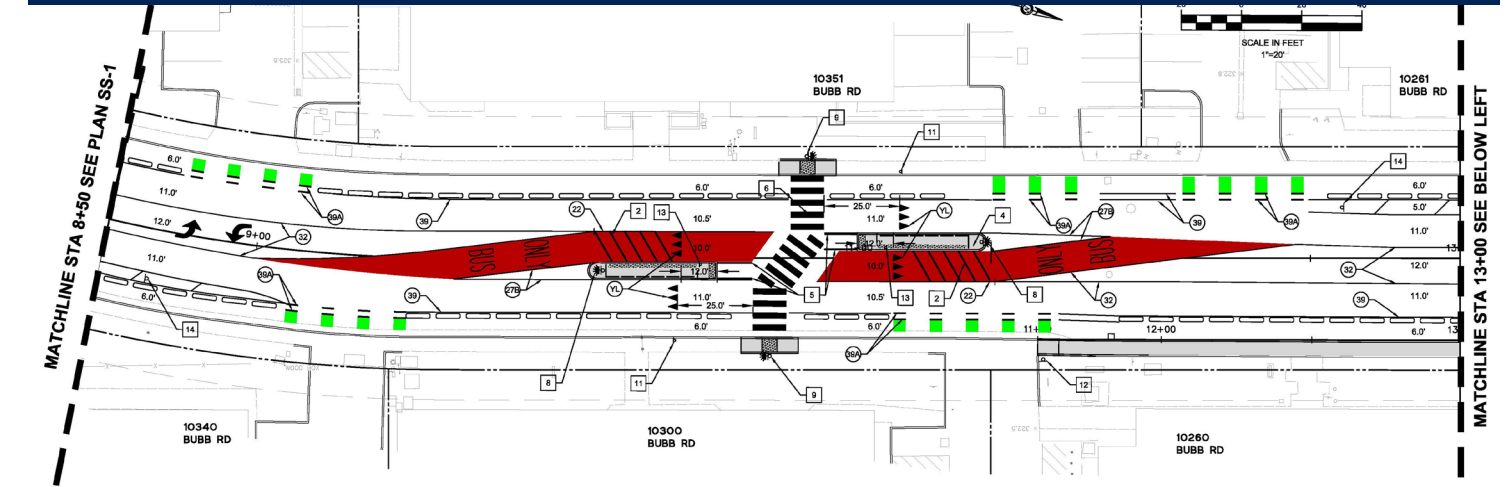

Bubb Road Separated Bikeway

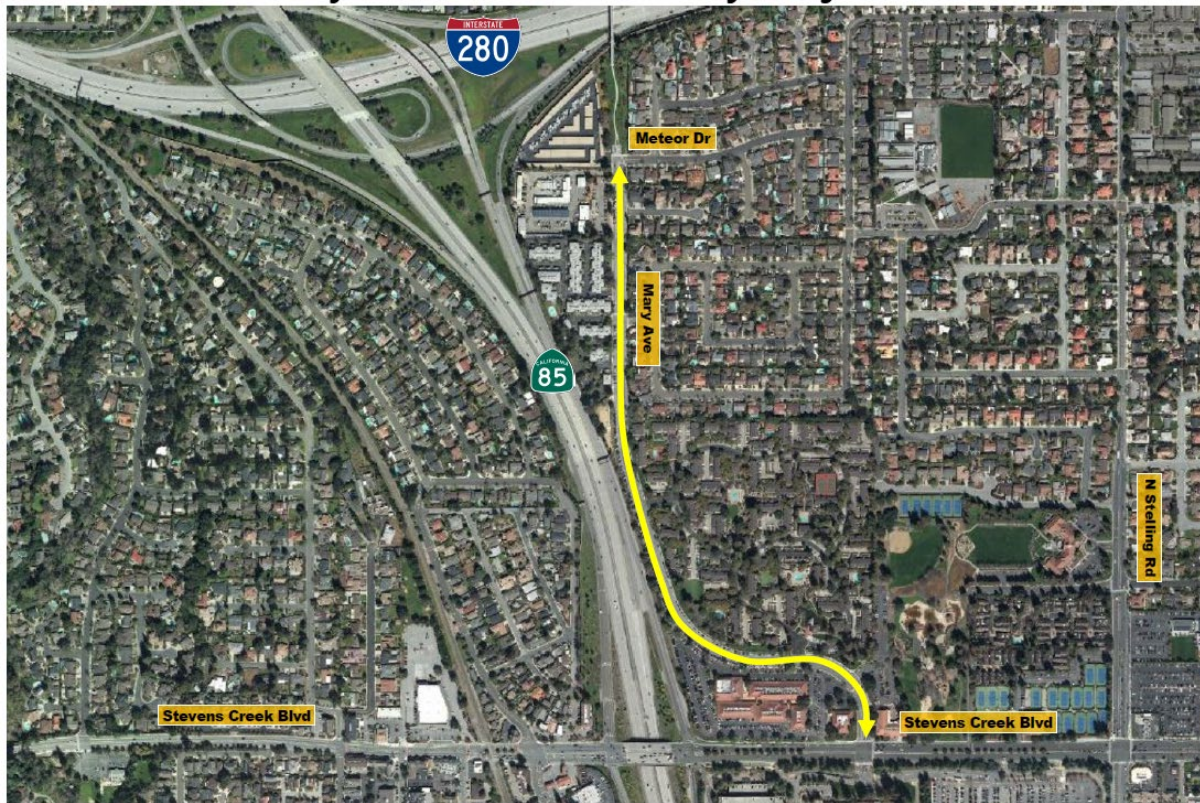

Bubb Road Separated Bikeway - Status

- *Apple donation \$1.98 million*
- *Construction contract awarded*
- *Construction anticipated to begin imminently, expect 3 month duration*

Bubb Road - Shuttle Stop Detail

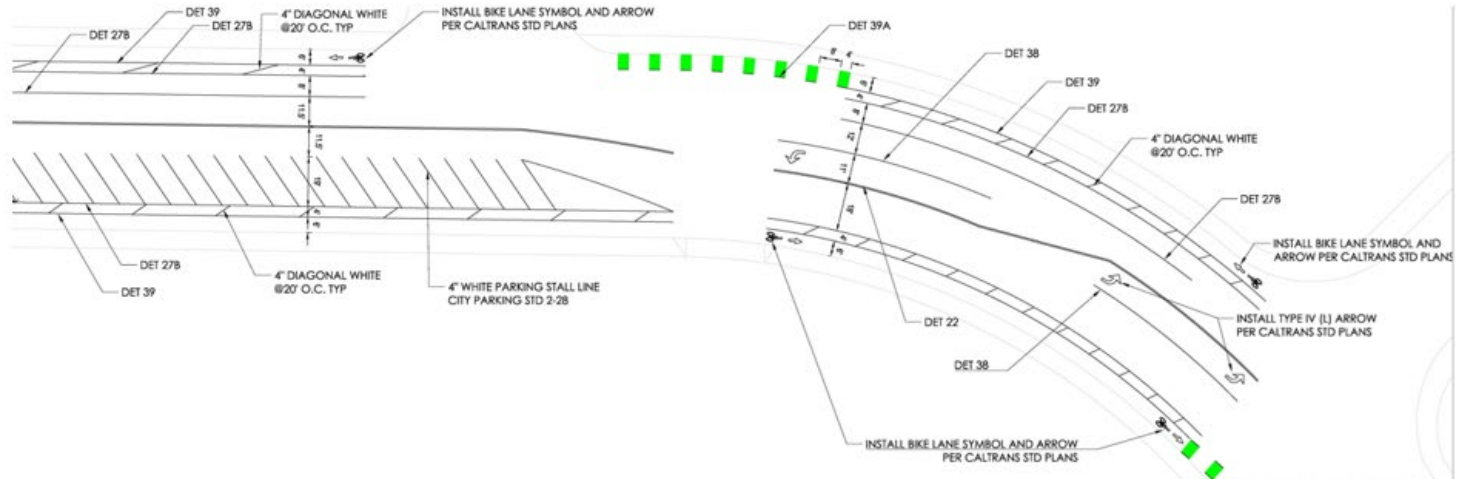

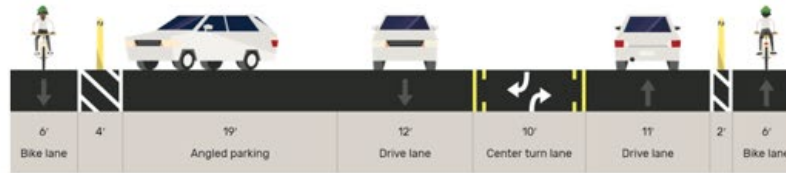

Mary Ave Separated Bikeway

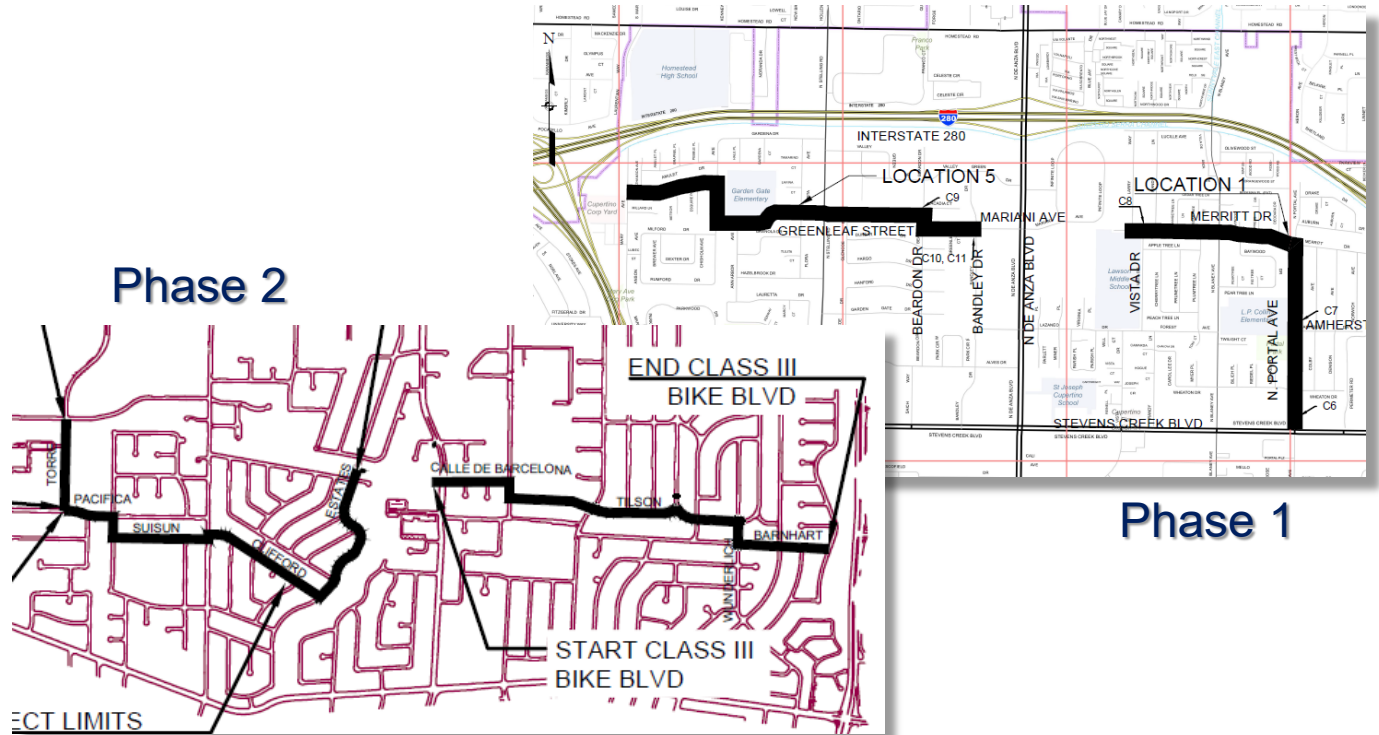

Mary Ave Separated Bikeway - Status

- *Design complete*
- *Implementation to occur following pavement rehab work scheduled Summer 2021*

Mary Ave Separated Bikeway

Bicycle Boulevards

Bicycle Boulevards – Phase 1

Portal/Amherst

Merritt Dr

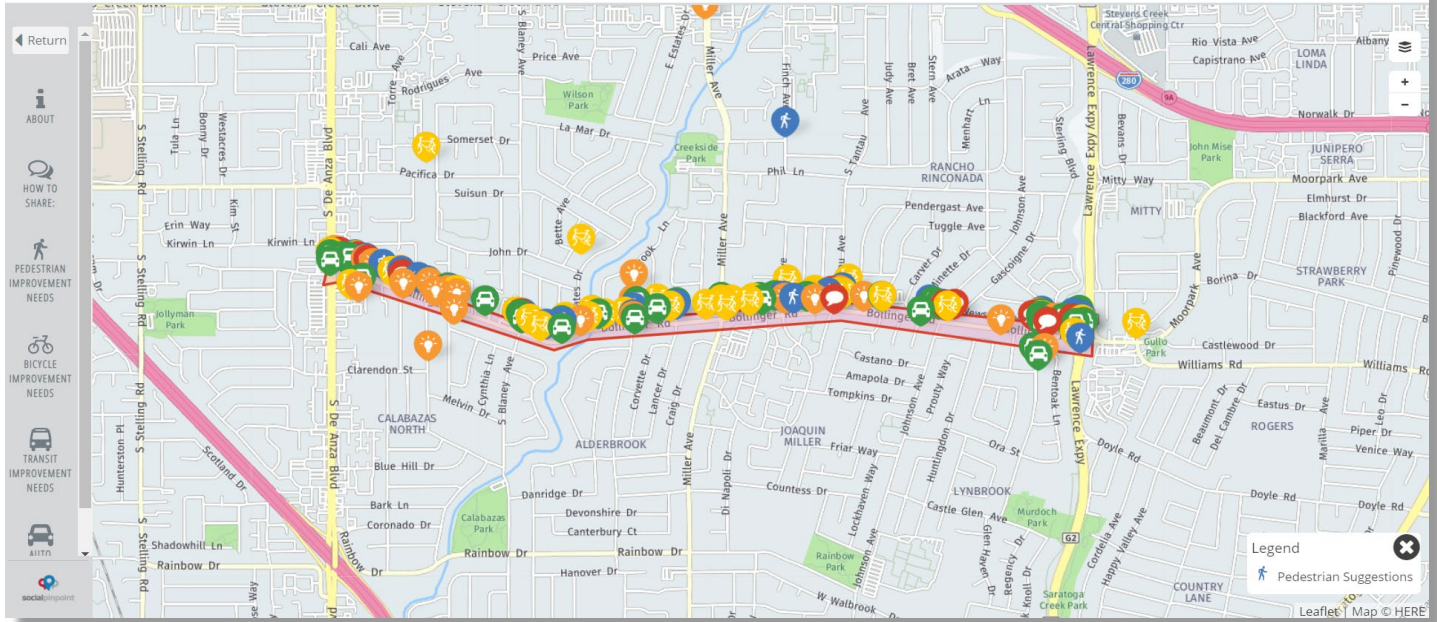

Bicycle Boulevards - Status

- *Phase 1 (interim improvements) completed, using flexible posts at intersections and permanent speed tables*
- *Phase 2 (interim improvements) in progress*
- *Phase 3 outreach to commence Summer 2021*
- *Decision to replace interim improvements with permanent to be made upon completion of all Phases.*

Bollinger Road Corridor Study

Drag to
comment

Bollinger Road Corridor Study - Status

- *Cupertino and San Jose partnership*
- *Community feedback solicited thru on-line portal*
- *Data collection complete*
- *Conceptual solutions being developed*
- *Virtual neighborhood meeting to be scheduled*
- *Final Recommendation Report summer 2021*

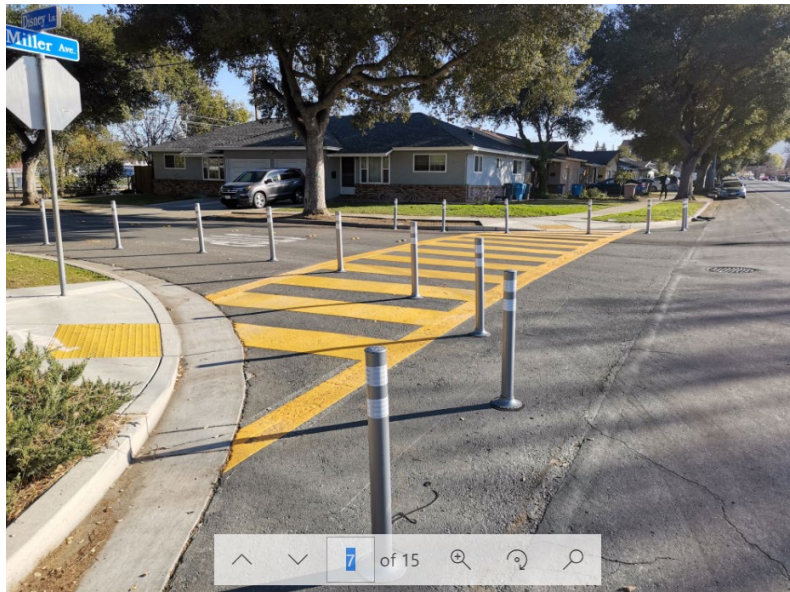

School Walk Audits

Lawson Middle School Safe Routes to School Improvement Plan

- 1 Mariari Avenue/Infinite Loop**
 - Conduct traffic study along Mariari Avenue/Infinite Loop
 - Convert transverse crosswalk to yellow high-visibility crosswalk
- 2 Merritt Drive/Larry Way/Vista Drive**
 - Install in-street school crossing signs (R1-6) in the crosswalks across Merritt Drive
- 3 Northern School Drop-Off**
 - Install signage to encourage drivers to pull forward
 - Install crosswalk with ADA-compliant curb ramps across parking lot
 - Close Merritt Drive exit driveway to drop-off vehicles. Exit still needed for bus access
 - Allow left turns only out of parking lot to Vista Drive
- 4 Apple Tree Lane/Vista Drive**
 - Install KEEP CLEAR markings in both northbound and southbound directions of the intersection
 - Install in-street school crossing sign in the crosswalk across Vista Drive
- 5 Eastern School Drop-Off**
 - Remove center delineators
 - Install signage to encourage drivers to pull forward
- 6 Vista Drive**
 - Install Class III Bike Route signage and marking (sharrows)
- 7 Southern Parking Lot**
 - Prohibit parent drop-off/pick-up in this lot
 - Move bicycle parking to the southern end of the school (location to be determined)
- 8 Forest Avenue/Vista Drive**
 - Conduct crossing guard warrant analysis

School Walk Audits

Miller/Disney

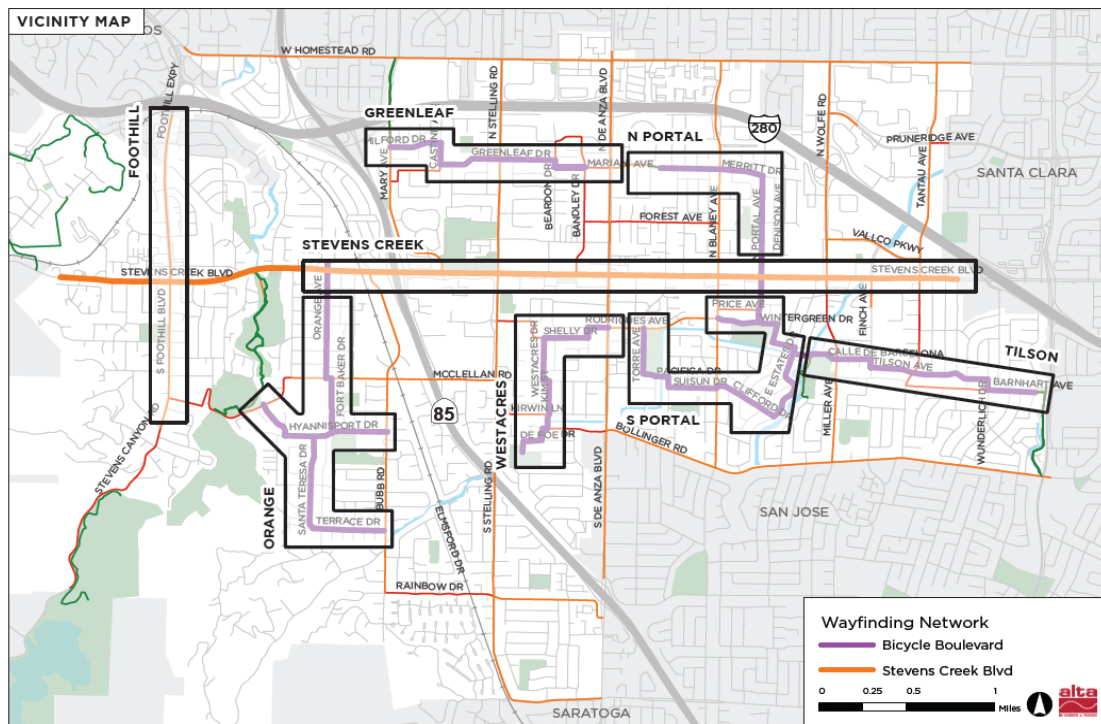

Finch Ave

School Walk Audits - Status

- *Tier 1 (minor in-house) projects:*
 - *Work orders issued*
 - *Construction in progress*
- *Tier 2 (larger in-house) projects:*
 - *Work being coordinated*
 - *Construction beginning Spring*
- *Tier 3 (large) projects:*
 - *To be coordinated following completion of Tier 2. Anticipated project completion end 2022.*

Bicycle Wayfinding Signage

Bicycle Wayfinding Signage

- *Portal Ave and Foothill Bikeways complete*
- *Work proceeding on remaining bikeways*
- *Anticipated completion Summer/Fall 2021*
